

Proposals must be completed and routed seven (7) business days before the deadline for OSP to submit the proposal.

Creating a Simplified Budget

If a sponsor requires the use of their sponsor budget template then a simplified budget may be entered on the Budget Tab in GeauxGrants. **The sponsor's detailed budget template must be attached to the Internal Uploads and Routing tab in GeauxGrants.**

Examples of Manual Proposals with required sponsor budget templates:

- NSF Research.gov
- NASA NSPIRES
- LA Board of Regents Support Fund

When submitting a Grants.gov System-to-System (S2S) Proposal, use these instructions if the budget tab is italicized. Italicized S2S tabs are not included in the Grants.gov application. The sponsor required budget form can be found on the S2S Forms tab or is attached to the proposal per instructions in the Funding Opportunity Announcement.

Budget Tips

- The Budget tab will open in a new window. Clicking Done will close just the budget screen and return user to Proposal Development record.
- It is recommended that you enter budget as a whole instead of by each budget period.
- The Budget Summary will summarize the total costs of the entire institution budget.

Budget – Subawards

- If your proposal budget includes subawards, you must add them first. To add a Subaward to a budget, click Show next to SubAwards on the Budget tab to expand this section.

Personnel

- The PI will auto populate on this tab.

You must add all investigators that are in #26 of the LSU Questionnaire to the Personnel tab and any other Senior Personnel. This will ensure that all necessary routing approvals are received.

- To add investigators, type in their name, choose role using the dropdown, begin typing name, and click Save.

- Since effort was not included on the budget, you will enter senior personnel effort on the Personnel tab. Click the lock button next to Person Months.

- Type in the annual effort (requested + cost shared). If the effort varies each year, type in the average. Click Save.
- The Responsible column indicates who is an Investigator per PS-98 for Financial Conflict of Interest. Senior Personnel are automatically checked. All LSU PI and Co-Investigators should be checked. Indicate other responsible investigators by clicking the checkbox by their name. If necessary, add other PS-98 investigators to personnel tab.
- COI column will either have a green check or red question mark.

- If green check mark appears, a Significant Financial Interest (SFI) disclosure has been “Received in GeauxGrants.”
- If red question mark appears, a SFI disclosure has either been “Created; No Disclosure” or there is “No Current Disclosure”. SFI needs to be submitted.
- The Legend describes who is on the Prime and who is on the Subaward. Uncheck any subaward investigators in the Responsible column.
